

PARTIAL SONGLIST

The following is intended to give you a flavor for what music is available. This is only a small portion of the songs that I carry. Every effort is made to find your songs, using my connections with local radio stations and music stores. Don't be shy to ask about any type of music I probably have it, or can find it. Should you choose **DOUG GRIFFIN** for your event, we will schedule a sit-down meeting, where we can then go over music selection in detail. In preparation for that meeting feel free to check your favorites from the list below.
